

# DELIGHTFULLY NATURAL NATURAL & ORGANIC

## Delightfully Natural Hair Range

Delightfully Natural hair products were formulated with the aim of avoiding unnecessary chemicals that are often found in other products today, which can cause scalp irritations.

We have devised our products with a combination of high quality organic and natural ingredients including aromatherapy essential oils for their soothing, nourishing and healing properties.

Delightfully Natural hair products were formulated by a team of hairdressers with the aim to give you the client a product of salon standards without harmful chemicals, leaving your hair soft and shiny without weighing the hair down.

We all would like to do what is best for our health but don't want to use a product that does not give results. So why not give it a go for your hair and health?

hair range

## S Nourishing Shampoo

Delightfully Natural nourishing shampoo is formulated to gently cleanse and nourish your hair and scalp. Can also be used to help oily hair and loosen dandruff being that it is free of harmful chemicals which often cause scalp conditions. It is also great for colored and permed hair.

Ingredients; Purified water, sodium salt, (coconut derived), coco-betaine, coco glucoside ( coconut derived), polysorbate-20 (vegetable derived), safflower oil, vitamin E, vitamin B, lactic acid, essential oil blend of rose geranium, lavender, ylang ylang and sandalwood, sodium hydroxymethylglycinate (natural food preservative).

## C Nourishing Conditioner

Delightfully Natural nourishing conditioner has a balancing effect, which leaves your hair with shine and body. It can be used on all types of hair oily to dry. Leave it in longer for dry hair and only apply to ends of oily hair.

Ingredients; Purified wter, cetearyl alcohol (coconut derived), dipalmitoylethyl hydroxyethylmon-ium methosulfate (natural detangler derived from palm oil), ceteareth-20 (coconut derived) , vegetable glycerin, helianthus seed oil, vitamin E , silk protein, vitamin B, lecithin, coconut oil, organic jojoba oil, shea butter, essential oil blend of geranium, lavender, ylang ylang and sandalwood, sorbic acid ( natural fruit preservative) methyl parahydroxybenzoate ( food grade preservative).
